When and how do I pay?

You can choose to pay your insurance premium annually using either Direct Debit or VISA/MasterCard or monthly by Direct Debit.

When does the cover start and end?

Cover starts immediately on all policies on the date purchased.

Monthly Policies: To make sure you have continuous cover under your policy we will automatically renew your policy each month, unless you advise us otherwise and your monthly premium will be collected by the method chosen by you at the time of the initial purchase. For your convenience we will write to you annually to remind you of the cover that is in place and to ensure that it still meets your needs.

Annual Policies: To make sure you have continuous cover under your policy we will automatically renew your policy at the end of the minimum policy term and annually thereafter unless you advise us otherwise. You will be contacted at least 21 days before the renewal date of your policy, and we will tell you then if there are any changes to your premium or the policy terms and conditions (which will only ever apply at your next renewal date). We will then renew your insurance unless you advise us otherwise.

How do I cancel the contract?

During the Cooling off Period

You may cancel the insurance within 14 days of receiving the insurance documents, should you decide the insurance is no longer appropriate or required, please contact Swipe Insurance via email at gadget.sales@swipeinsurance.co.uk or by calling 0330 041 2873. You will receive a full refund of any premium already paid provided that no claim has been made and you do not intend to make a claim.

After the Cooling off Period

You may cancel your insurance at any time by contacting Swipe Insurance.

Monthly Policies: If you cancel your policy cover will continue until the end of the period for which you have already paid. There will be no refund of premium due as the premium paid will have been in respect of the cover already received.

Annual Policies: If you cancel your policy then cover will terminate upon receipt of your notice of cancellation. We will then calculate the proportionate premium for the period that you have not been insured, provided you have not made a claim during the period of insurance. If a claim has been made during the period of insurance no refund of premium will be due.
