Protecting your gadgets

Important: this Gold Cover policy does not include cover for loss of *your gadget(s)* so *you* may wish to consider the Platinum Cover which does include cover for loss. Here are some measures *you* can take to help protect or track *your gadget(s)* whether or not they are covered by an insurance policy:

We've all been there, dropping *your* device is a sure fire way to damage *your* device. However, you can protect against this by simply buying a case, which will go some way to keeping *your* device safe.

Don't forget to also keep a record of *your* mobile phone's IMEI number, this is unique to *your* handset, and should the worst happen it will allow *you* to be reunited with *your* device. *You* can find this by typing **#06#* in to your handsets key pad.

You can also register *your* device for FREE on <https://www.immobilise.com/index.php>

For added security it is recommended *you* add a **pin code** or **password** to all *your* devices. This will ensure that *your* personal information remains private should it fall in to the wrong hands.

There are also a variety of **tracker applications** which could enable *your* device to be found. Please always contact the police and let them retrieve the device, never take the law in to *your* own hands!

Always avoid using *your* device in public places in situations where *you* might be distracted, such as exiting public transport. These situations make easy targets for thieves.

Please keep your insurance documents safe

When *you* purchased this insurance policy *you* selected the plan that was most suitable for *your* needs. This document only sets out the *level of cover you* have selected. If there is evidence that the *damage* or *theft* occurred prior to the policy inception date, this will result in *your* claim being refused. The *Claims Administrator* may also inform the police and take further legal action against *you*. This policy must be purchased whilst you are in the United Kingdom.

You have not been provided with a personal recommendation as to whether this policy is suitable for *your* specific needs, so *you* must decide *yourself* whether it is or not. *You* have made a reasoned decision basis of the information provided and can cancel this insurance at any time should *you* decide the cover is no longer suitable (please refer to the cancellation conditions contained in this policy for full details).

This insurance policy provides insurance for *your registered gadget(s)* whilst *your* policy is in force, as shown in *your* Schedule of Insurance, subject to the terms, conditions, and limitations shown below.

Period of cover

You had the choice to buy this insurance as either a monthly policy or an annual policy. *Your* choice is confirmed on *your* Schedule of Insurance. Please note that *your* insurance may be terminated if the *Administrator* does not receive *your* monthly or annual premium(s) when they are due. Should any premium(s) fall into arrears due to non-payment, the *Administrator* will automatically re-attempt to collect any outstanding premium(s). Where the *Administrator* has been unable to collect a monthly premium payment from *you* they will contact *you* by email after the first missed collection requesting payment of the premium. Where the *Administrator* has been unable to collect an annual premium from *you*, or where there are multiple missed monthly premiums, the *Administrator* will contact *you* by email after the missed collection requesting payment of the outstanding amount. If *your* account is not brought up to date within 7 days of this email, the *Administrator* will cancel *your* policy with immediate effect and send *you* an email confirmation of the cancellation.

If *you* have purchased an annual policy, *your* insurance starts at the time of purchase, renewal, or policy start date, whichever is later, and lasts for a period of twelve months provided *you* pay *your* premium when it is due. The annual premium *you* pay is determined by your *gadget(s)* and *level of cover* as specified at the time of purchasing or renewing the insurance.

If *you* have purchased a monthly policy, *your* insurance starts at the time of purchase or policy start date, whichever is later, and lasts for a period of one month. It will then continue for further monthly periods provided *you* continue to pay *your* monthly premiums as they become due. The monthly premium you pay is determined by *your gadget(s)* and *level of cover* as specified at the time of purchasing the insurance and will be collected monthly in advance.

All premium collections will be administered by Taurus Insurance Services Limited.

- ✎ provide details of any other contract, guarantee, warranty or insurance that may apply to the *gadget* including, but not limited to, household insurance (where appropriate a rateable proportion of the claim may be recovered direct from these Insurers).
- ✎ provide the *proof of purchase* of the gadget for which you are claiming. Such *proof of purchase* must evidence that *you* own that particular *gadget*, which may include the IMEI number or serial number and other identifying details where appropriate.
- ✎ provide the *proof of usage* (in respect of mobile phones) from *your* Network that confirms the mobile phone has been in use since policy inception and up to the event giving rise to the claim.

Repair and Replacement Equipment

- ✎ All repairs to *gadgets* are issued with a 3 month warranty (the *gadget* must be returned to the *Claims Administrator* in the event of a claim under that warranty).
- ✎ In the event that *your* claim is authorised and *your gadget* is deemed beyond economical repair and will therefore have to be replaced, *we* will endeavour to replace it with a *gadget* of a comparable specification or the equivalent value taking into account the age and condition of the *gadget*. Where *we* replace the *gadgets*, the replacements may be pre-owned, refurbished or remanufactured (not brand new). This is not a new for old insurance policy. (Gift cards or vouchers may be used as an alternative method of claims settlement at *our* full discretion).
- ✎ Where *we* send *you* a replacement or repaired *gadget*, this will only be sent to a UK address.
- ✎ Please note it may not always be possible to replace *your gadget* with the same colour or finish, where this is not possible an alternative colour will be provided.
- ✎ Where replacement equipment has been issued and the original *gadget* is recovered, the original *gadget* becomes *our* property and must be returned to the *Claims Administrator* immediately. Please call the *Claims Administrator* 0330 041 2873 (local call rate) and they will provide details for its return.
- ✎ All replacement items are issued with a 12 month warranty (the item must be returned to the *Claims Administrator* in the event of a claim under the warranty).
- ✎ If *your* existing *accessories* are not compatible with the replacement item we have provided we will cover the cost of replacing the *accessories*, on production of *your proof of purchase* for these.

Sanctions Limitation and Exclusions clause

We shall not be liable to pay any claim or provide any benefit under this policy to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose *us* to any sanctions, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, *United Kingdom* or United States of America

Limit of Liability

Our liability, in respect of any one claim, will be limited to:

- ✎ The replacement cost of each *gadget* being claimed for and, in any event, shall not exceed the maximum liability for each *gadget* as shown on *your* Schedule of Insurance.
- ✎ *Our* liability, in respect of *accessories* will be limited to the replacement cost of the *accessories*, subject to a maximum of, either the original purchase price or £100 including VAT, whatever the lesser. This is subject to a valid claim for *theft, loss* or *damage* of *your gadget* where the *accessories* are stolen, lost or damaged at the same time as *your gadget*.

Average Clause

Where the sum insured by *you*, as detailed in your Schedule of Insurance, is less than the *purchase price* of the *gadget(s)* the amount *you* are able to claim will be calculated as follows:

Amount of Claim = Actual Loss × (sum insured / *purchase price*)

Example:

If your *gadget* was purchased for £1000 but insured with a value of £500, 50% of its real value, *we* will only be liable to pay 50% of the claimed amount

Fraud

We and/or the *Claims Administrator* employ a dedicated team of fraud specialists. If any fraudulent or misleading claim is made or if any fraudulent or misleading means are used under this insurance, *you* will not be allowed to continue with *your* claim and *your* policy will be cancelled with immediate effect and no refund will be returned.

We and/or the *Claims Administrator* will be entitled to instruct an investigation into *your* claim and recover any benefit paid and costs incurred as a result of any such fraudulent or misleading claim. *We* and/or the *Claims Administrator* may also inform the police and/or any law enforcement agency about the circumstances of any fraudulent claims. *We* may also prosecute those who make fraudulent or misleading claims.

English Law

This Insurance shall be subject to English Law.

Policy cancellation

To satisfy our obligations under the GDPR a policy will only be considered as cancelled once the *Claims Administrator* have verified the identity of the requester and confirmed either verbally or in writing that the cancellation request has been processed

Cooling off Period

You may cancel the insurance within 14 days of receiving the insurance documents, should *you* decide the insurance is no longer appropriate or required, please contact Swipe Insurance via email at gadget.sales@swipeinsurance.co.uk or by calling 0330 041 2873. *You* will receive a full refund of any premium already paid provided that no claim has been made and *you* do not intend to make a claim.

After the Cooling off Period

If *you* have a monthly policy:

You can cancel cover at any time by contacting Swipe Insurance. If *you* cancel following the 14-day cooling-off period, *your* cover will continue until the end of the period for which *you* have already paid. There will be no refund of premium due as the premium paid will have been in respect of the cover already received.

If *you* have an annual policy:

You may cancel your insurance at any time by contacting Swipe Insurance, then cover will terminate upon receipt of *your* notice of cancellation. The *Claims Administrator* will then calculate the proportionate premium for the period that *you* have not been insured, subject to deduction of an administration fee of £15.00, provided *you* have not made a claim during the period of insurance. If a claim has been made during the period of insurance, no administration fee will be charged, and no refund of premium will be due

Cancellation by *Us*

We may cancel this insurance by giving *you* at least 30 days written notice at *your* last known address. Reasons *we* may cancel the policy are, but not limited to:

-  If *we* and/or the *Claims Administrator* have reason to suspect *you* of fraud;

- ✎ Where the *Claims Administrator* have been unable to collect an annual premium payment from *you*. In this case, the *Claims Administrator* will contact *you* by email after the missed collection requesting payment of the premium. If the *Claims Administrator* does not receive payment within 7 days, the *Claims Administrator* will cancel *your* policy with immediate effect and send *you* an email confirmation of the cancellation.
- ✎ Where the *Claims Administrator* have been unable to collect a monthly premium payment from *you*, the *Claims Administrator* will contact *you* by email after the first missed collection requesting payment of the premium. If the *Claims Administrator* does not receive payment by the next collection date and the next premium payment is also missed, the *Claims Administrator* will contact *you* and then cancel *your* policy within 7 days of this notice if *your* account is not brought up to date. The *Claims Administrator* will send *you* email confirmation of the cancellation
- ✎ Where there is significant adverse claims experience

If any of the above reasons should occur, *we* and/or the *Claims Administrator* may write to *you* with our concerns and ask *you* to redress them. Where this redress does not happen, the *Claims Administrator* will then issue cancellation. If *we* cancel cover under *your* policy then no further premium will be payable by *you*. *You* will continue to receive any benefits for a valid claim if *your* claim date was prior to the date the policy expired.

Policy amendment and renewal

Mid-Term Adjustments

Should *you* decide to replace *your gadget* with a new *gadget* whilst *your* insurance is in force, *we* will consider transferring the benefit of the insurance subject to the item remaining within the same premium banding as *your* original *gadget*. There is no administration fee applicable for replacing a *gadget* within the same premium banding. *You* must advise the *Claims Administrator* of the make, model and serial number/IMEI before *you* make any subsequent claim and in the event of such a claim *you* will need a *proof of purchase* showing details of the new *gadget*. The *gadget* must be in good condition and full working order at the time of adding the new *gadget* to the policy.

Please note: When replacing an existing insured *gadget* with a new *gadget* the terms and conditions of the insurance policy for the new *gadget* will apply exactly the same as if *you* were purchasing a brand-new policy.

Where *you* have multiple items *registered* on *your* policy and *you* wish to remove one of *your gadgets* from cover, the *Claims Administrator* will calculate the revised premium and in respect of an annual contract where there is a reduction in *your* premium, *we* will provide *you* with a pro-rata refund, provided you have not made a claim. In respect of a monthly policy *your* cover will continue for the period *you* have already paid, the *Claims Administrator* will recalculate the premium and confirm the revised premium in writing to *you* in good time before *your* next premium collection date.

Should *you* wish to consider covering additional *gadget(s)*, please contact Swipe Insurance at gadget.sales@swipeinsurance.co.uk quoting *your* existing policy number.

In the event that any of *your* personal details change, such as address, email or contact numbers, please ensure *you* contact Swipe Insurance as soon as possible in order for *your* details to be updated and to prevent any delays when making a claim.

Automatic Renewal of *your* Policy

If *you* have a monthly policy:

To make sure *you* have continuous cover under *your* policy *we* will automatically renew *your* policy each month, unless *you* advise the *Claims Administrator* otherwise and *your* monthly premium will be collected by the method chosen by *you* at the time of the initial purchase.

For *your* convenience the *Claims Administrator* will write to *you* annually to remind *you* of the cover that is in place and to ensure that it still meets *your* needs.

If the *Claims Administrator* need to make any changes to *your* policy cover or to the price of *your* insurance, the *Claims Administrator* will provide *you* with at least 30 days written notice of the change which will be sent to *your* email address provided by *you* at the time of purchase of the policy, or to *your* last known address where there is an unsuccessful email submission.

Should *you* be unhappy with any proposed change being made to *your* policy, *you* will have the right to cancel *your* cover in accordance with this policy wording.

If *you* have an annual policy:

You will be contacted at least 21 days before the annual renewal date of *your* policy, and the *Claims Administrator* will tell *you* then if there are any changes to *your* premium or the policy terms and conditions (which will only ever apply at *your* next renewal date). The *Claims Administrator* will then renew *your* insurance unless *you* advise them otherwise.

Your renewal premium will be taken by the same method used during *your* initial purchase. If *your* payment details have changed, *you* can contact Swipe Insurance at

gadget.sales@swipeinsurance.co.uk

or visit

www.swipeinsurance.co.uk

and log into "My Account" to amend *your* details. *You* can advise Swipe Insurance about any changes to *your* policy details at any time by calling 0330 041 2873 (local rate call).

If *you* do not want to auto renew *your* policy, *you* just need to contact Swipe Insurance via the contact details provided in the renewal notice. If *you* do nothing then the policy will automatically renew.
