Protecting your gadget(s)

Here are some measures **you** can take to help protect or track **your gadget(s)** :

Most modern **gadgets** have inbuilt security systems, such as Apples' 'Find My' or Googles' 'Find My Device'. These are designed to help **you** locate **your** lost **gadget**. These security features help put off potential thieves by making the stealing of these **gadgets** less attractive. Where these security features are inbuilt in to **your gadget**, it is a policy requirement that these are active. This is required during **your** period of insurance and throughout any claims process.

We've all been there, dropping **your gadget** is a sure-fire way to damage **your gadget**. However, **you** can protect against this by simply buying a case, which will go some way to keeping **your gadget** safe.

Don't forget to also keep a record of **your** mobile phone's IMEI number, this is unique to **your** handset. Should the worst happen, it will allow **you** to be reunited with **your gadget**. **You** can find this by typing ***#06#** into **your** handset's keypad.

You can also register **your gadget** for FREE on <https://www.immobilise.com/>

We recommend you use any biometric security features that your gadget has. This should be in addition to adding a pin code or password. This will ensure that your personal information remains private should it fall into the wrong hands.

There are also a variety of tracker applications which could enable your gadget to be found. Please always contact the police and let them retrieve the gadget, never take the law in to your own hands!

Avoid using your gadget in public places in situations where you might be distracted, such as public transport. These situations make easy targets for thieves.

Please keep your insurance documents safe

When **you** bought this policy **you** selected the **level of cover** that was most suitable for **your** needs. Should **you** require a different **level of cover**, please do not hesitate to contact **Taurus** on 0330 041 2873. **You** can email

gadget.sales@swipeinsurance.co.uk to discuss other options that may be available to **you**.

This insurance has been specifically designed to provide insurance protection for **your gadget(s)**. The policy meets the demands and needs of individuals who must be:

A Permanent Resident of the United Kingdom

The Owner of the gadget(s) or an immediate family member of the gadgets' owner

Over the age of 18

And would like to cover against:

Please note: There are some exceptions and exclusions relating to the cover provided by this policy. It is therefore important that **you** read the section headed "What we will not cover".

Important Information:

The **gadget(s)** must be in good condition and fully functional when the policy is purchased. If there's proof that the **gadget** was damaged, lost, or stolen before the policy start date, **your** claim will be denied. **Taurus** may also inform the Police and take further legal action against **you**. **You** must be a permanent **UK** resident to buy this insurance. **You** and the **gadget(s)** must be in the **United Kingdom** when purchasing cover.

We have not recommended whether this policy suits **your** specific needs, so **you** need to decide that on **your** own. **You** have made a reasoned decision based on the information provided. **You** can cancel this insurance at any time should **you** decide the cover is no longer suitable. Please refer to the cancellation conditions contained in this policy for full details.

If **you** need any help with **your** policy, please contact **Taurus** and they will be happy to assist **you**. **We** can also supply this policy wording in another format if required, such as Braille.

Policy wording

This is **your** Policy wording. It tells **you** everything that is covered and what is not covered. It must be read in conjunction with **your** Policy Schedule. These documents make up the contract between **us** and **you**. Keep this document and **your** Policy Schedule in a safe place in case **you** need to refer to them or make a claim.

If any of the details are incorrect, please contact Swipe Insurance immediately.

Your Policy Schedule tells **you** the **registered gadget(s)** which are covered under this policy. If any of the details are incorrect, please contact Swipe Insurance immediately.

This document and **your** Policy Schedule confirm **our** agreement under Contract TAURUS01032021 to insure **you**. This agreement is in accordance with the terms and conditions detailed below. This agreement is subject to payment of the agreed premium. **We** authorise **Taurus** to sign and issue these documents on **our** behalf.

This insurance policy provides insurance for **your registered gadget(s)** whilst **your** policy is in force. **Your** insured **gadgets** are listed in **your** Policy Schedule. The policy terms, conditions, and limitations are described in the wording below.

All **gadgets** must be in good condition and in full working order when adding them to **your** policy.

Period of cover

You had the choice to buy this insurance as either a monthly policy or an annual policy. **Your** choice is confirmed on **your** Policy Schedule.

If **Taurus** does not receive **your** monthly or annual premium(s) **your** cover may be cancelled. Where the premium(s) have not been paid, **Taurus** will re-attempt to collect these premium(s). **Taurus** will contact **you** by email if they have been unable to collect **your** monthly premium. Should **your** annual premium collection fail **you** will be emailed to request payment of the outstanding balance. **Taurus** will also contact **you** if there are multiple monthly premiums payments outstanding. If **your** account is not bought up to date within 7 days of this email **your** policy will be cancelled.

If **you** have purchased an annual policy **your** insurance starts straight away and lasts for twelve months. When renewing a policy, cover will start from the date of renewal. **Your** premium is based on the **gadget(s)** and **level of cover you** chose when purchasing the insurance.

When **you** purchase a monthly policy, **your** insurance starts straight away and lasts for one month. Cover will then continue each month provided **you** continue to pay **your** premiums as they become due. **Your** premium is based on the **gadget(s)** and **level of cover you** chose when purchasing the insurance. These payments will be collected automatically each month in advance.

All premium collections will be administered by **Taurus**.

Information Disclosure

Throughout the claim process **you** are required to always be open and honest when providing answers. Failure to do so may result in **your** claim being declined.

If inconsistencies are found in the details of **your** claim, it may be declined. This would include where **you** have failed to provide details of any other insurance policy that covers **your** gadget(s).

Law

The laws of the **United Kingdom** allow both parties to choose the law which will apply to this contract. However, the law applied to this contract is the law which applies to the part of the **United Kingdom** where **Your** Home is, unless otherwise agreed by **Us**. The only exception is if **Your** Home is in the Channel Islands or the Isle of Man, when the law of England and Wales will apply to this contract.

We take the security of **your** data seriously. **Your** policy will only be considered cancelled once **Taurus** has verified **your** identity. Confirmation of cancellation will then be made to **you** either verbally or in writing.

Cooling off Period

You can cancel the insurance for any reason within 14 days of receiving **your** documents. To cancel please contact **Taurus** at gadget.sales@swipeinsurance.co.uk or by calling 0330 041 2873. **You** will receive a full refund of any premium paid, as long as **you** haven't, and don't intend to, make a claim.

After the Cooling off Period

If **you** have a monthly policy:

You can cancel cover at any time by contacting **Taurus**. If **you** cancel after the cooling-off period, **your** cover will continue until the end of the paid period. No refund of premium will be given as the premium paid is in respect of the cover already received.

If **you** have an annual policy:

You may cancel **your** insurance at any time by contacting **Taurus**. Cover will terminate upon receipt of **your** notice of cancellation and identity verification. **Taurus** will refund the proportionate premium for the period that **you** have not been insured. If a claim has been made during the period of insurance, no refund of premium will be due.

Cancellation by us

When **your** annual policy is due for renewal, **Taurus** will provide **you** with at least 21 days notice before the renewal date by email. Where **Taurus** has been unable to collect an annual premium payment from **you**. In this case, **Taurus** will email **you** after the missed collection to request payment. If **Taurus** does not receive payment within 7 days, **your** policy will be cancelled immediately. Confirmation of this cancellation will be emailed to **you**.

If a monthly payment is missed, **Taurus** will email **you** requesting payment. Should **you** miss another payment, **Taurus** will contact **you** again. **Your** policy will be cancelled within 7 days of this notice if **your** account is not bought up to date.

We may cancel this insurance by giving **you** at least 30 days written notice at **your** last known address. Reasons **we** may cancel the policy are, but not limited to:

-  If **we** and/or **Taurus** have reason to suspect **you** of fraud;
-  If there is significant adverse claims experience.
-  If **your** policy has been active, or renewed, for 7 years.

If any of the above occur, **Taurus** may write to **you** with **our** concerns and ask **you** to address them. Where this redress does not happen, **Taurus** will then issue cancellation. If **we** cancel cover under **your** policy, then no further premium will be payable by **you**. **You** will continue to receive cover for a valid claim if the incident date was before **your** policy expired.

Mid-Term Adjustments

If **you** change **your gadget** during the policy term **we** may be able to transfer cover. This will only be possible where the replacement is the same make and model as the original gadget. **You** must advise **Taurus** of the IMEI/Serial number before suffering a loss. The replacement **gadget** must be in good condition and full working order when added to **your** policy.

If **your** new **gadget** is not the same make and model as the insured **gadget**, **we** cannot update **your** policy. To insure the replacement **gadget you** will be required to purchase a new policy. Where a claim has been made during the period of insurance no refund of premium will be due.

NOTE: If **you** replace a **gadget**, the policy terms will apply to the new **gadget** as if buying a new policy.

If **you** have multiple **gadgets** on **your** policy **you** can remove single **gadget(s)** at any time. **Taurus** will calculate the revised premium, which will be in effect from **your** next collection date.

If any of **your** personal details change, please contact **Taurus** to update **your** policy. This will prevent any delays should **you** need to make a claim.

There are no charges for any changes **you** make to **your** policy.

If **you** have an annual policy:

We will provide **you** with a pro-rate refund, provided no claim has been made against the **gadget**. If a claim has been made against the **gadget** during the cover period no refund of premium will be due.

If **you** have a monthly policy:

Your cover will continue for the period **you** have already paid. **Taurus** will recalculate and confirm the new premium in writing before **your** next payment date.

If **you** wish to cover more **gadget(s)**, please contact **Taurus** at gadget.sales@swipeinsurance.co.uk or by calling 0330 041 2873. Make sure **you** include **your** existing policy number in **your** contact.

Automatic Renewal of your Policy

If **you** have a monthly policy:

To make sure **you** have continuous cover, **we** will automatically renew **your** policy each month. If **you** do not want **your** cover to continue, please see the cancellation terms above. **Your** premium will be collected by the method chosen by **you** at the time of purchase.

Taurus will write to **you** annually to remind **you** of the cover that is in place. Make sure **you** review **your** cover to ensure that it still meets **your** needs.

To ensure the policy offers fair value, **we** will renew **your** cover for a maximum of seven (7) years. If **your** policy is still active after 7 years, **we** will write to you to confirm that cover will cease after 30 days.

Occasionally **Taurus** will need to change **your** policy cover or premium. In this instance, they will provide **you** with at least 30 days written notice of any change. This notice will be sent to **your** email address provided by **you** at the time of purchase of the policy.

You can cancel **your** cover in accordance with this policy wording if **you** are unhappy with these changes.

If **you** have an annual policy:

You will be contacted at least 21 days before the annual renewal date of **your** policy. **Your** renewal notice will advise of any changes to **your** premium or the policy terms and conditions. Any changes will only apply at **your** next renewal date. **Taurus** will then renew **your** insurance unless **you** advise them otherwise.

Your renewal premium will be taken by the same method used during **your** initial purchase. If **your** payment details have changed, **you** can contact **Taurus** at

gadget.sales@swipeinsurance.co.uk

www.swipeinsurance.co.uk

and log into "My Account" to amend **your** details. **You** can advise **Taurus** about any changes to **your** policy details at any time by calling 0330 041 2873.

If **Taurus** are unable to collect **your** renewal premium **your** policy will lapse. **Taurus** will contact **you** via email to advise **you** accordingly.

To ensure the policy offers fair value, **we** will renew **your** cover for a maximum of seven (7) years. If **your** policy is still active after 7 years, **we** will email **you** confirm that **your** policy will not renew.
