Important Information

Demands and needs

Swipe Insurance does not offer advice or recommend insurance. You should decide, before purchasing, whether the terms of this insurance policy meet your demands and needs for gadget insurance.

All products we offer you are designed to meet the demands and needs of those who wish to ensure that they are financially protected against the risks associated with owning gadgets, including Breakdown, Theft, Loss, Accidental Damage, and Unauthorised Usage. The levels of cover may vary depending on which options you choose. Please refer to your gadget insurance certificate for full details.

You should also consider whether you have cover under other insurance policies already in place.

Cancellation & refund policy

You may cancel the insurance within 14 days of receiving the insurance documents, should you decide the insurance is no longer appropriate or required, please contact us via email at gadget.sales@swipeinsurance.co.uk or by calling 0330 041 2873. You will receive a full refund of any premium already paid provided that no claim has been made and you do not intend to make a claim.

After the cooling off period you may cancel the insurance at any time there after by contacting Swipe Insurance using the above contact details. Provided no claim has been made, for monthly policies no

refund is due, for annual policies we will calculate if any proportionate refund is due for the period of unused cover. If a claim has been made during the period of insurance no refund of premium will be due.

Amending your policy

Should you decide to replace your gadget with a new gadget whilst your insurance is in force, we will consider transferring the benefit of the insurance subject to the item remaining within the same premium banding or policy option (whichever applicable) as your original gadget.

Auto-Renewal

If you have a monthly policy: To make sure you have continuous cover under your policy we will automatically renew your policy each month, unless you advise us otherwise and your monthly premium will be collected by the method chosen by you at the time of the initial purchase.

For your convenience we will write to you annually to remind you of the cover that is in place and to ensure that it still meets your needs. Should you be unhappy with any proposed change being made to your policy, you will have the right to cancel your cover in accordance with the policy wording.

If you have an annual policy: You will be contacted at least 21 days before the annual renewal date of your policy, and we will tell you then if there are any changes to your premium or the policy terms and conditions (which will only ever apply at your next renewal date). We will then renew your insurance unless you advise us otherwise.

Unless you advise us otherwise, your renewal premium will be taken by the same method used during your initial purchase. If you do not want to auto renew your policy, you just need to contact Swipe Insurance via the contact details provided in the renewal notice. If you do nothing, then your policy will automatically renew.

Fraud policy

We do not provide insurance for devices that are already damaged or not in good working order prior to purchase. We use various methods when evaluating a claim to determine if the damage was pre-existing and your claim may be denied as a result. It is a criminal offence to make a fraudulent claim. We take this robust stance to keep our premiums low and service levels high.
