Protecting your gadgets

Important: this Silver Cover policy does not include cover for loss or theft of *your gadget(s)* so *you* may wish to consider the Platinum Cover which does include cover for loss and theft. Here are some measures *you* can take to help protect or track *your gadget(s)* whether or not they are covered by an insurance policy:

We've all been there, dropping *your* device is a sure fire way to damage *your* device. However, you can protect against this by simply buying a case, which will go some way to keeping *your* device safe.

Don't forget to also keep a record of *your* mobile phone's **IMEI number**, this is unique to *your* handset, and should the worst happen it will allow *you* to be reunited with *your* device. *You* can find this by typing ***#06#** in to your handsets key pad.

You can also register *your* device for FREE on <https://www.immobilise.com/index.php>

For added security *we* recommend adding a **pin code** or **password** to all *your* devices. This will ensure that *your* personal information remains private should it fall in to the wrong hands.

There are also a variety of **tracker applications** which could enable *your* device to be found. Please always contact the police and let them retrieve the device, never take the law in to *your* own hands!

Always avoid using *your* device in public places in situations where *you* might be distracted, such as exiting public transport. These situations make easy targets for thieves.

Please keep your insurance documents safe

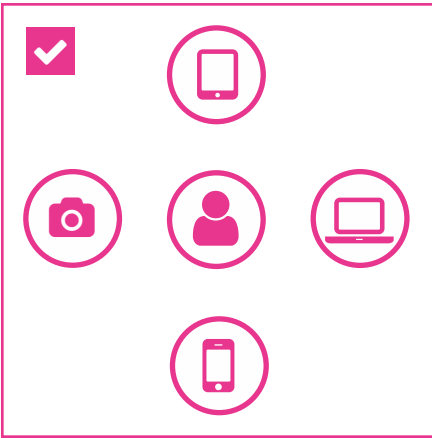

When *you* purchased this insurance policy *you* selected the plan that was most suitable for *your* needs. This document only sets out the *level of cover you* have selected. This policy must be purchased whilst you are in the United Kingdom.

We have not provided *you* with a personal recommendation as to whether this policy is suitable for *your* specific needs, so *you* must decide *yourself* whether it is or not. *You* have made a reasoned decision basis of the information provided and can cancel this insurance at any time should *you* decide the cover is no longer suitable (please refer to the cancellation conditions contained in this policy for full details).

English Law

This Insurance shall be subject to English Law.

Cooling off Period

You may cancel the insurance within 14 days of receiving the insurance documents, should *you* decide the insurance is no longer appropriate or required, please contact Swipe Insurance via email at gadget.sales@swipeinsurance.co.uk or by calling 0330 041 2873. *You* will receive a full refund of any premium already paid provided that no claim has been made and *you* do not intend to make a claim.

After the Cooling off Period

You may cancel *your* insurance at any time by contacting Swipe Insurance.

If *you* pay *your* premium by monthly instalments, *your* policy will be cancelled at the next monthly anniversary of the date *your* policy commenced. There will be no refund of premium due as the premium paid will have only been in respect of the cover already received. If a claim has been made by *you*, we will not refund any premium and *you* must still continue to pay *us* any remaining premium due within *your* minimum policy term.

If *you* paid *your* insurance premium as a single upfront payment and providing no claim has been made under the policy, *you* will receive a proportionate refund of premium based on the unused period of cover under the policy. Policy cover will cease from the date *we* receive *your* cancellation instructions or from a later date at *your* request. If a claim has been made by *you*, *we* will cancel *your* cover but not refund any premium.

Cancellation by *Us*

We may cancel this insurance by giving *you* at least 30 days written notice at *your* last known address. Reasons *we* may cancel the policy are, but not limited to:

-  If *we* have reason to suspect *you* of fraud;
-  Where *we* have been unable to collect a premium payment from *you*. In this case, *we* will contact *you* by email after the first missed collection requesting payment of the premium. If *we* do not receive payment by the next collection date and the next payment is also missed, *we* will cancel *your* policy with immediate effect and send *you* an email confirmation of the cancellation.

If any of the above reasons should occur, *we* and/or the *Claims Administrator* will write to *you* with our concerns and ask *you* to redress them. Where this redress does not happen, *we* will then issue cancellation. If *we* cancel cover under *your* policy then no further premium will be payable by *you*. *You* will continue to receive any benefits for a valid claim if *your* claim date was prior to the date the policy expired.

Mid-Term Adjustments

Should *you* decide to replace *your gadget* with a new *gadget* whilst *your* insurance is in force, *we* will consider transferring the benefit of the insurance subject to the item remaining with the same premium banding as *your* original *gadget*. *You* must advise the *Administrator* of the make and model before *you* make any subsequent claim and in the event of such a claim *you* will need a *proof of purchase* showing details of the new *gadget*. The *gadget* must be in good condition and full working order at the time of adding the new *gadget* to the policy.

NOTE: When replacing an existing insured *gadget* with a new gadget the terms and conditions of the insurance policy for the new *gadget* will apply exactly the same as if *you* were purchasing a brand-new policy.

Where *you* have multiple items *registered* on *your* policy and *you* wish to remove one of *your gadgets* from cover, *we* will calculate the revised premium. If *you* paid *your* insurance premium as a single upfront payment and providing no claim has been made under the policy for the *gadget you* wish to remove, *we* will provide *you* with a pro-rata refund, subject to deduction of a £10.00 administration fee. If *you* pay *your* premium by monthly instalments, *your* policy will be amended at the next monthly anniversary of the date *your* policy commenced. There will be no refund of premium due as the premium paid will have only been in respect of the cover already received. *We* will recalculate and confirm the revised premium in writing to *you* in good time before *your* next premium collection.

Should *you* wish to consider covering additional *gadget(s)*, please contact Swipe Insurance at gadget.sales@swipeinsurance.co.uk quoting *your* existing policy number.
